

## July Parent Newsletter

Dear Parents,

I would like to congratulate all of the preschoolers who graduated from our program on June 25<sup>th</sup>. We had a lovely ceremony at the center and all of the children did a fantastic job. We want to wish them all the best of luck as they enter kindergarten in the fall.

I would like to thank all of the parents who participated in the recent Midland Fundraiser and to Jacob Sirard's mom and dad who made a very generous donation of much needed center supplies. Your generosity is greatly appreciated by both the staff and the children. We would also like to thank all of the families who have continued to donate items from our needs tree. It is continually being updated, so please take a peek. Even the smallest donation is a great help to us.

We have an exciting curriculum planned for the month of July. We will begin with a celebration of the 4<sup>th</sup> of July. Please remember that we will be closed on Monday, July 5<sup>th</sup> in observance of that holiday. I have attached a weekly outline of the summer curriculum that extends until the last week of August. Please look for more information as the summer progresses. There will be many special days with special activities planned.

If you haven't sent in a complete set of water clothes for the summer, please do so. This should include a swimsuit, towel and water shoes. Also, please check your child's cubby for a complete change of summer clothes. Also, remember to send your child in sneakers or closed toes sandals to the center each day. It is very dangerous to have exposed toes on the playground.

Lastly, if you are planning a vacation and you haven't let us know, please do so. It will help us to plan our staffing for the summer. If your child is leaving for kindergarten in the fall, please let us know his/her last day as soon as you are given the information.

The staff of WCCC would like to wish you all a safe and happy 4<sup>th</sup> of July.

Have a wonderful summer,  
Kathy
